

ARLIS / ANZ NEW ZEALAND CHAPTER AGM TREASURER'S REPORT 2008

The New Zealand chapter has received 21 subscriptions to date in 2008, of which two were individual memberships and the remainder were institutional subscriptions. Ten subscriptions are outstanding at this date.

Our total contribution to the ARLIS Executive for 2007/2008 was NZ\$718.65. This year fees associated with the transfer were deducted from this amount, rather than being absorbed by the NZ Chapter. The transfer of the subs was not completed until September 2008, and hence it does not show in these accounts. The 2007 subscription is showing however.

One subscription was received after June 2008, to the value of \$55. This is not subject to the Executive levy, but is retained in full by the NZ Chapter. Members have continued to experience some difficulties in obtaining their journals this year.

The last \$500 travel grant awarded by the NZ Chapter was to Thomas Irwin for the ARLIS / ANZ Conference. This amount was paid out in August and does not show in the accounts. Other expenditure for the year included \$110 for the ARLIS trip to Ngaio Marsh House, and \$302.60 on refreshments and thank you gifts for the ARLIS NZ Chapter AGM in 2007.

[detailed financial statement removed. This information is included in the full report, printed in the Arlis/ANZ Journal]

T. Elder, Treasurer, Oct 2008
